

Cockiness (Love It)

Rihanna

Suck my cockiness, lick my persuasion
Eat my poison and swallow your pride down, down
Place my wants and needs, over your resistance
I want you to be my sex slave (Anything that I
desire)

Be one with my femin-ay (Set my whole body on fire)
She may be the queen of hearts

But Im gonna be the queen of your body parts

No one can do ya-the way that I do

Boy I wa-a-ant (Youuuuuuu)

I love it, I love it, I love it when you eat it

I love it, I love it, I love it when you eat it

I love it, I love it, I love it when you eat it

I love it when you eat it, I love it when you eat it

I love it, I love it, I love it when you eat it

I love it, I love it, I love it when you eat it

I love it, I love it, I love it when you eat it

I love it when you eat it, I love it when you eat it

Suck my cockiness, lick my persuasion

Eat my poison and swallow your pride down, down

Place my wants and needs, over your resistance
I can be your dominatrix (Just submit to my
every order)

Enter my diamond matrix (If you want my golden flower)

Make me your priority (Theres nothing above my pleasure)

She may be the queen of hearts

But Im gonna be the queen of your body parts

No one can do ya-the way that I do

Boy I wa-a-ant (Youuuuuuuuu)

I love it, I love it, I love it when you eat it

I love it, I love it, I love it when you eat it

I love it, I love it, I love it when you eat it

I love it when you eat it, I love it when you eat it

I love it, I love it, I love it when you eat it

I love it, I love it, I love it when you eat it

I love it, I love it, I love it when you eat it
