

# Higher Love

James Vincent McMorrow

Think about it, there must be higher love  
Down in the heart or hidden in the stars above  
Without it, life is wasted time  
Look inside your heart, I'll look inside mine Things look so bad everywhere  
In this whole world, what is fair?  
We walk blind and we try to see  
Falling behind in what could be Bring me a higher love  
Bring me a higher love  
Bring me a higher love  
Where's this higher love I've been thinking of?  
Worlds are turning and we're just hanging on  
Facing our fear, standing out there alone  
Oh, a yearning and it's real for me  
There must be someone who's feeling for me Things look so bad everywhere  
In this whole world, what is fair?  
We walk blind and we try to see  
Falling behind in what could be Bring me a higher love  
Bring me a higher love  
Bring me a higher love  
Where's this higher love I've been thinking of? I will wait for it  
I'm not too late for it  
Until then, I'll sing my song  
To cheer the night along  
I could light the night up with my soul on fire  
I could make the sun shine from pure desire  
Let me feel the love come over me  
Let me feel how strong it can be  
Bring me a higher love  
Bring me a higher love, oh  
Bring me a higher love  
I could rise above for this higher love
