## I Want You 'Round

## Marvin Gaye & Kim Weston

I want you (I want you) The right way (the right way) I want you (Yes I do) But I want you to want me too (want me too) Want you to want me, baby (and I wanna it 2 be the right way) Just like I want youI give you all the love I want in return sweet darlin' But half a love is all I feel It's too bad, it's just too sad You don't want me now But I'm gonna change your mind Someway, somehow, oh baby I want you, the right way I want you But I wan't you to want me too Want you to want me, baby Just like I want youThis one way love is just a fantasy, oh sugar To share is precious, pure and fair Don't play with something you should cherish for life, oh baby Don't you wanna care Aint it lonely out thereI want you, the right way I want you But I wan't you to want me too Want you to want me, baby Just like I want you I want you, the right way I want you But I wan't you to want me too Want you to want me, baby Just like I want you...
