

# This Is How We Party (Cat Dealers Remix)

## R3HAB & Icona Pop

I jumped the line  
And you're always waiting for me  
It's who I am And you're in my territory I'll go, go, go  
We get it on, yeah  
I'm chemical  
Just getting started  
Get low, low, low  
It's all that you wanted  
You got what you wanted  
Don't you know that  
This is how we party  
Fooling with your body  
Come on everybody  
You can't get enough of me  
This is how we party  
Fooling with your body  
Don't know how we started  
You can't get enough of me  
You can't get enough of me  
You can't get enough of me Don't waste my time  
Follow me now or never  
(Follow me now or never)  
Just close your eyes  
To see what inside together  
I'll go, go, go  
We get it on, yeah  
I'm chemical  
Just getting started  
Get low, low, low  
It's all that you wanted  
You got what you wanted  
Don't you know that This is how we party  
Fooling with your body  
Come on everybody  
You can't get enough of me  
This is how we party  
Fooling with your body  
Don't know how we started  
You can't get enough of me  
You can't get enough of me  
You can't get enough of me This is how we party  
Fooling with your body

Come on everybody  
You can't get enough of me  
This is how we party  
Fooling with your body  
Don't know how we started  
You can't get enough of me
