

John Lennon

Citizen Cope

(La la la) (La la la) (La la la) Without you I'd be all alone.
(La la la) Without you I'd be all alone.
(La la la) Without you I'd be all alone.
(La la la) Say without you I'd be all alone.
(La la la) Without you I'd be all alone.
(La la la) Say without you I'd be all alone.
(La la la) Without you I'd be all alone.
(La la la) Say without you I'd be all alone.
(La la la) Say without you I'd be all alone.
(La la la) Say without you I'd be all alone. I keep hearin'
That the end is nearin'.
Every other week there's another villian. John Lennon tried to help stop the killin'
The sorry thing is that nobody listened.
The city and the country they divided.
They pointin' their fingers.
They're callin' each other liars. And it's a shame.
Traded on Jesus' name. And since the ages of Abel and Cain
Pleasure and pain.
Heroin and cocaine. The father's insane
The son is kinda strange.
The self-inflected shotgun
Blast in the face. (And now)
These crooked politicians.
They ordering the killin'
Of innocent civilians.
They build another prison
For the children to fill them.
(La la la) Say without you I'd be all alone.
(La la la) Say without you I'd be all alone.
(La la la) Say without you I'd be all alone.
(La la la) Say without you I'd be all alone.
(La la la) Say without you I'd be all alone.
(La la la) Say without you I'd be all alone.
(La la la) Say without you I'd be all alone.
(La la la) Say without you I'd be all alone.
