Drink In My Hand

Eric Church

Early Monday morning, til Friday five
Man I work, work, work but I don't climb, climb, climb
Boss man can shove that overtime up his can
All I want to do is put a drink in my handTo fill it up, or throw it down
I got a 40 hour week worth of trouble to drown
No need to complicate it, I'm a simple man
All you got to do is put a drink in my handYea the parking lot is muddy, can't get to the door
I'll take my jacked up drop er' down in 4x4
Chill down a long neck, one with the band
All you got to do is put a drink in my hand
To fill it up, or throw it down
I'm about to tear a new one in this old town
5, 4, 3, 2, 1 I'm a rocket man
All you got to do is put a drink in my handMake me want to go ouhhh ouh ouhhh, when you dance like that
you got that little tattoo playing peek-a-boo on your back
Yea if you want to impress me, baby here's my plan
All you got to do is put a drink in my handYea fill it up, or throw it down
When you drive me home, take the long way around
You be my Lois Lane, I'll be your superman
All you got to do is put a drink in my handMy head Monday morning that alarm clock sings it goes bang, bang, bang, while it ring, ring, rings
Yea I'll let it all roll, if you wanna rock again
All you got to do is put a drink in my hand
Yea fill it up, or throw it down
I got a little hungover, still hanging around
Yea that hair of a dog is howlin' "hey there man"
All you got to do is put a drink in my hand
That hair of a dog is howlin' "hey there man"
All you got to do is put a drink in my hand
Haaaaouuhhhhh Yeah!
