

# You're All I Need to Get By

Aretha Franklin

You're all I need to get by  
You're all I need to get by  
You're all I need to get by  
You're all I need to get by  
You're all I need to get by As long as I got you then baby  
You know that you've got me oh  
'Cause we've got our love in some  
R E S P E C T oh Like sweet morning dew, took one look at you  
And it was plain to see that you were my destiny  
With my arms open wide, I threw away my pride  
I sacrificed for you, dedicated my life to you  
Like I would go where you lead  
I'll be right there in a time of need  
And when I lose my will  
You'll be there to push me up that hill There's no, no looking back for us  
We've got our love and sure know that's enough  
You're all I need  
You're all I need  
You're all I need, baby, baby to get by  
Yea, to go by Like an eagle protect his nest, for you I'll do my best  
Stand by you like a tree and dare anybody that try to move me  
Darlin' in you I've found, strength where I was torn down  
I don't know what's in store but together we can open any door Just to do what's good for you,  
I'll inspire you a little bitta higher  
I know you can make a woman out of soul that didn't have a goal  
'Cause we, we've got the right foundation  
And with the love and determination  
You're, you're all I need  
You're all, you're all I need  
You're all, you're all I need to get by  
Yea Yea, as long as I got you then baby  
You know that you've got me oh  
Mm, 'cause we've got our love in some  
R E S P E C T oh  
As long as I got you then baby  
You know that you've got me oh  
You're all I need  
You're all that I need  
You're all that I need
