I'm Yours

Jason Mraz

Well, you done done me, and you bet I felt it I tried to be chill, but you're so hot that I melted

I fell right through the cracks

Now I'm trying to get backBefore the cool-done run out, I'll be giving it my best-est And nothing's gonna stop me but divine intervention

I reckon it's again my turn to win some or learn someBut I won't hesitate no more, no more It cannot wait, I'm yoursWell, open up your mind and see like me

Open up your plans and, damn, you're free

Look into your heart and you'll find love, love, love, loveListen to the music of the moment, people dance and sing

We're just one big family

And it's our God-forsaken right to be loved, loved, loved, loved, loved, loved So I won't hesitate no more, no more

It cannot wait, I'm sure

There's no need to complicate, our time is short

This is our fate, I'm yoursDoo ch doo doo joo

Ba doo ja doo doo ba

Do you want to come on a scooch on over closer, dear?

And I will nibble your earA soon da ba ba boom ba baum

Whoa, whoaI've been spending way too long checking my tongue in the mirror

And bending over backwards just to try to see it clearer

But my breath fogged up the glass

And so I drew a new face and I laughedI guess what I'll be saying is there ain't no better reason

To rid yourself of vanities and just go with the seasons

It's what we aim to do

Our name is our virtue

But I won't hesitate no more, no more

It cannot wait, I'm yoursWell, open up your mind and see like me

Open up your plans and, damn, you're free

Look into your heart, and you'll find that the sky is yoursSo please don't, please don't, please don't

There's no need to complicate 'Cause our time is short

This, oh, this, oh, this is our fate

I'm yours
