

Advice

Cadet & Deno

She looking badder than ever, she feeling a nigga
She's liking a bredda, she's liking the cheddar
If you ain't gon' love her forever, then don't even sweat her
Trust me the more girls the better, just hit them whenever
Man, trust me Deno
I ain't tryna be like you
Why not bro?
I've heard your "closure" tune
What you gotta take digs for?
She broke my heart, what you takin the piss for? I don't care if she's down
I'm making p's, I make pounds
I don't wanna hear no words of advice
Shut your mouth and turn round
And don't find no gyal off of Insta
Rude Boy
She can't make me her mister
And them girls that slide in your DMs
Probably got a bag of man on the weekend, no
Just cause the girls got breast and batty
Don't have your eye on her, like Dele Alli
See the footwear, man it ain't too shabby
Got a ting older than me, calling me daddy (swear)
Girl calm down it will be okay
Pulled up in a german, the EO way
Them girls see the boy and get mad (ah shit)
Would'a thought it was a picture from Tion Wayne
Big back, had to grab it like that
Gotta grab my snapchat quick
And snap it like that
Big 35, grabbing chicks at carni
Slow down stop chatting like that
Big batty gyal, I'm the boy that's (Cadet)
Know I love an East African that's (Cadet)
VVS chain on my neck that's (Cadet)
Underrated legend that's (Cadet, Cadet)

 Probably got a bag of man on the weekend, no We be getting points like a free throw
 Dead girl tryna get the D... no
 See man and, gyal get to winking
 Wait there, hold up
 Bro what you drinking?
 Ahh
 Just chill bro, it's juice I'm sipping
 Underage, but I still be whipping
 It's Drizzy and Cadet, Cadet
 We flip beats, don't forget, forget
 Don't forget, forget 'bout me
 Who's next up?
 Yeah you know 'bout me
 I don't need no broke boys surrounding me
 It's Drizzy and Cadet, Cadet
 Forget, forget
 Why you tryna give me advice bro?
 Chattin' bare shit 'bout your eyes though
 You should be on some big man tings
 You should be looking for Shiro She looking badder than ever, she feeling a nigga
