

# Livin' My Love (feat. LMFAO & NERVO)

Steve Aoki

Ah,  
When I wake up  
Still drunk got my shoes on my feet  
I'm hesitating to look at my computer screen,  
I live up  
On a cloud for the whole world to see  
We got that party pooper, head to toe  
It's going full of sass, straight down the throat  
Ganging money, coupon with note  
Two bad boys, them girls a fraud  
LMFAO, yo yo, LMFAO, yo yo  
We stopped killing our buzz  
We party rock with you  
I'm just living my  
I'm just living my  
I'm just living my love, love, love  
Why you killing my  
Why you killing my  
Why you killing my buzz, buzz, buzz  
I'm not gonna play fair  
If you don't play back  
I don't wanna be a bitch  
But this game is wack  
So get of my way  
Say whatever you say  
I'll be living my love  
Living, living  
So you can be a hater if it turns you on  
Do whatever you want  
If it makes you feel strong but you better down  
'cause this road is long and I'll be living my love  
Living, living I'll be living my love  
I'm just living my, I'm just living my  
I'm just living my love, love, love (I'll be living my love)  
Why you killing my, why you killing my  
Why you killing my buzz, buzz, buzz  
Yo, I don't mean to stop you  
But you might wanna pick up the name you just drop  
I'm like a helicopter, yeah you up in the building  
But I'm up on top ya  
Hey man, take this binaca  
While I walk around the club

Wanna fizz the vodka  
A party rocker  
A panty dropper  
Shut up, who's laughing at your jokes  
Now, shut, down, you should walk away  
'Cause no one's laughing at your jokes  
Now, yes it shut, down  
You better hear me say  
I, I, I, you better hear me say  
I, I, I, (go go go go go go)  
I've been living my love!  
I'm just living my, I'm just living my  
I'm just living my love, love, love (I'll be living my love)  
Why you killing my, why you killing my  
Why you killing my buzz, buzz, buzz  
I'm just living my, I'm just living my  
I'm just living my love, love, love (I'll be living my love)  
Why you killing my, why you killing my  
Why you killing my buzz, buzz, buzz.
