## Atomic Kitten

mmm oh yeah, oh what a night, its ladies night  
This is your night tonight  
everythings gonna be alright,  
this is your night tonight  
come on girls! Girls, we all got one,  
A night that's special everywhere (everywhere)  
From New York to Hollywood  
It's ladies night and girl the feeling's good  
Oh yes it's ladies night  
And the feeling's right  
Oh yes it's ladies night  
Oh what a night (oh what a night)  
Oh yes it's ladies night  
And the feeling's right  
Oh yes it's ladies night  
Oh what a night (oh what a night)  
this is your night tonight  
everythings gonna be alright  
this is your night tonight  
everythings gonna be alright  
romantic lady, ooh yeah, single baby  
mmm sophisticated mama,  
Come on you disco baby yeah yeah  
Stay with me tonight  
If you hear any noise  
It ain't the boys, it's ladies night, uh huh  
Come on girls!  
Gonna step out ladies night  
Steppin' out ladies night  
Gonna step out ladies night  
Steppin' out ladies night  
OH yes its ladies night,  
And the feelings right  
Oh yes its ladies night  
Oh what a night (oh what a night)  
oh yes its ladies night  
and the feelings right  
oh yes its ladies night  
oh what a night (oh what a night)  
On disco lights your name will be seen  
You can fulfill all your dreams  
Party here, party there, everywhere  
This is your night, baby  
You've got to be there  
This is your night  
Tonight, everything is gonna be alright  
This is your night  
Tonight, everything is gonna be alright  
(keep repeating until the end of the song)
