

# Shadow

Britney Spears

Your body's warm but you are not  
You give a little not a lot  
You coup your love until we kiss  
You're all I want but not like this I'm watching you disappear  
But you, you were never here It's only your shadow, never yourself  
It's only your shadow, nobody else  
It's only your shadow, filling the room  
Arriving too late, and leaving too soon  
And leaving too soon...  
Your body gives but then holds back  
The sun is bright, the sky is black  
Can only be another sign  
I cannot keep what isn't mine You left and it lingers on  
But you, you were almost gone It's only your shadow, never yourself  
It's only your shadow, nobody else  
It's only your shadow, filling the room  
Arriving too late, and leaving too soon  
And leaving too soon... I cannot tell if you mean what you say  
You say it so loud, but you sound far away  
Maybe I had just a glimpse of your soul  
Or was that your shadow I saw on the wall I'm watching you disappear  
But you, you were never here  
It's only your shadow, never yourself  
It's only your shadow, nobody else  
It's only your shadow, filling the room  
Arriving too late  
No, no, no  
It's only your shadow  
It's only your shadow, nobody else  
It's only your shadow  
Arriving too late and leaving too soon It's only your shadow
