

Someone (feat. Puff Daddy)

SWV

Lookin' at my Rollie, it's about that time
For SWV to drop a jam on mine
Playa's talk the talk but they can't walk it
We make the whole country bounce when we New York it
Don't speak about it, be about it
Seein' Puff on your tube, feelin' weak about it
(That's right)
I got the skill of an actor, wind chill factor
(What? What?)
Minus five five, coolest man alive
Baby, who dat is? Oh, that's just Puff Daddy
Keep you on my mind, like I keep me on my shine
And I feel fine, sex real time
(Say what?)
While I'm in your deck on rewind
Oh, I make it hot, till you're jellin' what PD got
Since PD rock, see me not
(What?)
So many bricks I build a tenement
We'll, do the freaky thing, baby girl if you're into it
(Let's go, come on)
I'm looking for a lover that
Can make a sacrifice
A lover that will understand
Will always be by my side
I pray the Lord so I can find
My Mr. Right
So who can it be the one for me
I need?
Someone that I can believe
Someone to satisfy me
I need love, oh someone
Someone who's faithful and true
Oh baby, can it be you?
I need love
Oh, can it be that you're the one?
And I've been too blind to see
You're everything I'll ever need
Someone who'll love me for me
I wanna know, I wanna see
My destiny
If your love is true I'll love you too
'Cuz I need
Someone that I can believe
Someone to satisfy me
I need love, oh
Someone who's faithful and true
Oh baby, can it be you?
I need love, oh someone, someone
Someone that I can believe

Someone to satisfy me
I need love, oh someone
Someone who's faithful and true
Oh baby, can it be you?
I need love, love, love You could be the one
Love of a lifetime
Oh baby, can it be the one for me?
I need to know
Want you to be mine
Baby, why can't you be my everything? I'll be Check this out
You all know the Steve's, SWV's
Gone for a minute, chillin' cross seas
(That's right) Back on the scene, pocket full of cream, now
Gone so long, thought they was locked in the Penile
Meanwhile, they be bumpin' in the clubs
Can we get freaky tonight? Sho' 'nuff Puff and J-Dub
Platinum stats, plush oriental rugs
And platinum plaques, come on
(Alright then) You could be the one
Love of a lifetime
Oh baby, can it be the one for me?
I need to know
Want you to be mine
Baby, why can't you be my everything? Someone that I can believe
Someone to satisfy me
I need love, love, love
Someone who's faithful and true
Oh baby, can it be you?
I need love, love, love
