

# Wishing On A Star

Rose Royce

I'm wishin' on a star  
To follow where you are  
I'm wishin' on a dream  
To follow what it means I'm wishin' on a star  
To follow where you are  
I'm wishin' on a dream  
To follow what it means And I wish on all the rainbows that I see  
I wish on all the people who really dream  
And I'm wishin' on tomorrow, praying it'll come  
And I'm wishin' on all the lovin' we've ever done I never thought I'd see  
A time when you would be  
So far away from home  
So far away from me  
Just think of all the moments that we spent  
I just can't let you go, for me you were meant  
And I didn't mean to hurt you, but I know  
That in the game of lovin', you reap what you sow I feel it's time we should make up, baby  
I feel it's time for us to get back together  
And make the best of things, oh, baby, when we're together  
Whether or never I feel it's time we should make up, baby  
I feel it's time for us to get back together  
And make the best of things, oh, baby, when we're together  
Whether or never I'm wishing on a star  
To follow where you are  
I'm wishin' on a dream  
To follow what it means  
And I wish on all the rainbows that I see  
I wish on all the people we ever greeted  
And I'm hopin' on all the days to come and days to go  
And I'm hopin' on days of lovin' you so I'm wishin' on a star  
To follow where you are  
I'm wishing on a star, whoa-oh  
And I wish on all the rainbows that I see I'm wishin' on a star  
To follow where you are  
I'm wishin' on a star
