

Say I Wanna Know

Nick Waterhouse

Have you ever...
Made the best of a bad situation.
Maybe, gone and takin'...
Somethin'yours for the takin'.
Have you ever... Felt trapped
Like you... wanted to stop
Like you... not even gonna make it
Past the corner of the block Say, I wanna know
Say, I wanna know
Say, I wanna know
Say, I wanna know
Oh there'll be times
That this ole world can be so demanding.
It get hard to find
A little truth 'n understanding.
Have you ever. Felt trapped
Like you wanted to stop
Like you...
Not even gonna make
Past the next city cop. Say, I wanna know
Say, I wanna know
Say, I wanna know
Say, I wanna know
I trying and I wanna know.
That I'm trying and I wanna know.
We trying and I wanna know.
We trying and we wanna know
He trying and he wanna know.
She's trying and she wanna know.
We trying and we wanna know.
We trying and we wanna know.
We trying and we wanna know Say, I wanna know
Say, I wanna know
Say, I wanna know
Say, I wanna know
