Ya'll betta not fight with bitch
'Cause I plan on stayin' all night with bitchYa'll betta not fight with bitch

 I'm on all kinda drugs, I don't know which way to go
 Left my mind at the house, left my cigar at the store Left my weed in the car, left my Henny at

 Left my rubber on yo bed, left yo woman in the dark
 Tell the DJ, run it back, yeah, we on the hundid pack
 Got somebody baby-mama kissin' where my stomach at Betta cool yo lil nachos, actin' like you

 Hit you with that 40, knock the meat up out ya taco
 I don't even drank but got this giant Goose bottle
 You can keep the riches 'cause I'm leavin' with a model Ya'll betta not fight with bitch
 Ya'll betta not, ya'll betta not
 Ya'll betta not fight with bitch
 'Cause I plan on stayin' all night with bitch Ya'll betta not fight with bitch
 Ya'll betta not, ya'll betta not
 Ya'll betta not fight with bitch
 'Cause I plan on stayin' all night with bitch
