

Radar Love (1973 Single Edit)

Golden Earring

I've been driving all night, my hands wet on the wheel
There's a voice in my head that drives my heel
It's my baby calling, says "I need you here"
And it's a half past four and I'm shifting gear
When she is lonely and the longing gets too much
She sends a cable coming in from above
Don't need no phone at all
We've got a thing that's called radar love
We've got a wave in the air
Radar love
The radio is playing some forgotten song
Brenda Lee's "Comin' on Strong"
The road has got me hypnotized
And I'm speeding into a new sunrise
When I get lonely and I'm sure I've had enough
She sends her comfort coming in from above
We don't need no letter at all
We've got a thing that's called radar love
We've got a line in the sky
Radar love
No more speed, I'm almost there
Gotta keep cool now, gotta take care
Last car to pass, here I go
And the line of cars goes down real slow
And the radio played that forgotten song
Brenda Lee's "Coming On Strong"
And the newsman sang his same song
Oh, one more radar lover gone
When I get lonely and I'm sure I've had enough
She sends her comfort coming in from above
We don't need no letter at all
We've got a thing that's called radar love
We've got a line in the sky
We've got a thing that's called radar love
We've got a thing that's called
Radar love
