

# Forward

## Mali Music

(I'm moving) I'm moving Forward  
Just one word, Forward  
It ain't about my past  
It's about my future  
Forget those things behind me  
Press towards those things before me  
(Which way we moving) Forward  
(One more time) Forward(1)  
Look at me, I'm free  
Can't you see, I'm sin free  
And I don't care what you think you know about me  
What you saw me do or say  
Where I was yesterday  
All I know is today The Lord took me in and He washed me  
He cleansed me in His precious Blood  
Made me whole and showed me love  
I've never felt nothing like it  
Yes, He's my God and I like it  
He keeps my soul safe from danger  
Closer than a friend  
No He's not a stranger  
I'm not the same anymore  
I'm never looking back  
With God I'll be moving  
(2)  
True we do all fall short  
With God I don't expect to anymore  
Because greater is He that is within me  
Than He that's in the world  
I ain't got time to be thinking 'bout What I did or where would I be  
If I didn't do this 'cause  
God is still God and He's good to me  
And I ain't got no time to worry  
I should have been dead and in my grave  
But You said, "No, ole death behave" You came into my life and picked me up My head you  
raised  
You didn't give up on me  
And today I can say I'm saved  
I just can't go back now  
I'll follow You Lord 'cause I'm moving()  
(Vamp)  
Gotta keep (moving)

Forward (forward)  
Keep on (moving)  
Forward (forward)  
The old me (moving)  
The old mess (forward)  
Is behind me (moving)  
'Cause I'm moving (forward)  
When you see me (moving)  
I'm moving (forward)  
Walking (moving)  
Marching (forward)  
Skipping (moving)  
Jogging (forward)  
Running (moving)  
Running (forward)  
Got happy (moving)  
'Cause I'm moving (forward)  
On (moving)  
Down Road (forward)  
I Got it (moving)  
Forward (forward)
