

Moon River

Frank Ocean

One, two Moon river, wider than a mile
I'm crossing you in style
Someday (someday, day)
A dream maker (maker, maker)
My heartbreaker (you heartbreaker)
Wherever you're going
I'm going that way (the same, the same...) Two drifters off to see the world
There's such a crazy world to see
We're all chasing after all the same
Chasing after our rainbow's end
Moon river, wider than a mile
Crossing in style, someday
My dream maker, heartbreaker
Wherever you're going
I'm going the same
Two drifters off to see the world
It's such a crazy world, you'll see
(What I see, who I become)
We're all chasing after our end
Chasing after our ends Life's just around the bend, my friend
Moon river and me
