

We Come Running

Youngblood Hawke

Under a pale blue sky
You never felt so cold
Another sleepless night
How could you ever let go?
How do you recognize,
The dirty face of gold,
Behind that crooked line,
Where you never knew you'd go.
Headed for the open door,
Tell me, what you're waiting for, Look across the great divide,
Soon they're gonna hear the sound, the sound, the sound,
When we come running!
Never go where we belong,
Echoes in the dead of dawn,
Soon they're gonna know the sound, the sound, the sound,
When we come running!
Woah-oh, Oh-woah-oh-oh,
Oh-woah-oh, Oh-woah-oh-oh,
The sound, the sound, the sound,
When we come running!
When the worlds gone quiet,
I see you dancing slow,
Feeling satisfied,
Where you never knew you'd go,
Headed for the open door,
Tell me, what you're waiting for,
Look across the great divide,
Soon they're gonna hear the sound, the sound, the sound,
When we come running!
Never go where we belong,
Echoes in the dead of dawn,
Soon they're gonna know the sound, the sound, the sound,
When we come running!
Woah-oh, oh-woah-oh-oh
Oh-woah-oh, oh-woah-oh-oh,
The sound, the sound, the sound,
When we come running!
Days go by,
Feeling broke and tired
Remember, always remember, The sound, the sound, the sound,
When we come running!
The sound, the sound, the sound,

When we come running!
Headed for the open door,
Tell me, what you're waiting for,
Look across the great divide,
Soon they're gonna hear the sound, the sound, the sound,
When we come running!
Woah-oh, oh-woah-oh-oh,
The sound, the sound, the sound,
When we come running!
Oh-woah-oh, oh-woah-oh-oh,
The sound, the sound, the sound,
When we come running!
Woah-oh, oh-woah-oh-oh,
oh-woah-oh, oh-woah-oh-oh,
When we come running!
Woah-oh, oh-woah-oh-oh,
Oh-woah-oh, oh-woah-oh-oh,
When we come running!
