

him)

Cocaine withdrawals and I'm fiendin' (I'm fiendin', I'm fiendin')  
Life way too hard, am I dreamin'? (I'm dreamin', I'm dreamin')  
Highway to hell and I'm speedin', one way to tell if I'm breathin'  
On three let's jump off the roof, on three let's jump off the roof  
On three let's jump off the roof, on three let's jump off the roof  
On three let's jump off the roof, on three let's jump off the roof  
On three let's jump off the roof, on three let's jump off the roof
