

# Go the Distance

Michael Bolton

I have often dreamed, of a far off place  
Where a hero's welcome, would be waiting for me  
Where the crowds will cheer, when they see my face  
And a voice keeps saying, "this is where I'm meant to be." I'll be there someday, I can go the  
distance

I will find my way, if I can be strong  
I know every mile, will be worth my while  
When I go the distance I'll be right where I belong. Down an unknown road, to embrace my fate  
Though the road may wander, it will lead me to you  
And a thousand years, would be worth the wait  
It may take a lifetime, but somehow I'll see it through.  
And I won't look back, I can go the distance  
And I'll stay on track, no I won't accept defeat  
It's an uphill slope, but I won't lose hope  
Till I go the distance, and my journey is complete But to look beyond the glory is the hardest  
part

For a hero's strength is measured by his heart  
Like a shooting star, I will go the distance  
I will search the world, I will face its harms  
I don't care how far, I can go the distance  
Till I find my hero's welcome, waiting in your arms  
I will search the world, I will face its harms  
Till I find my hero's welcome, waiting in your arms
