

# Hold Up

Demi Lovato

If the weapon is your love  
I got my hands up If the weapon is your love  
I got my hands up  
I'd say hold up  
broken out of nowhere, showed up I'm not  
This haste got me skipping a heart beat I'm giving up  
I wanna run, run, run away  
In your getaway car  
make a getaway  
If the weapon is your love  
I got my hands up  
If you're gonna take me down  
I surrender  
I'll give you anything you want  
Just to leave me alone  
This is a hold up this is a hold up  
If the weapon is your love I got my hands up  
Hey, stranger  
I'm addicted to the danger  
of the touch  
Now you're wanted Better keep me as your hostage  
Tie me up  
I wanna run, run, run away  
In your getaway car  
make a getaway  
If the weapon is your love  
I got my hands up  
If you're gonna take me down,  
I surrender I'll give you anything you want  
Just to leave me alone  
This is a hold up  
this is a hold up  
Everybody get down Get down on the floor, floor  
Everybody get down  
Nobody gets hurt, hurt  
If the weapon is your love  
I got my hands up  
If you're gonna take me down,  
I surrender  
I'll give you anything you want  
Just to leave me alone  
This is a hold up

this is a hold up  
If the weapon is your love  
I got my hands up  
If you're gonna take me down  
I surrender  
I'll give you anything you want  
Just to leave me alone  
This is a hold up  
this is a hold up  
If the weapon is your love  
I got my hands up  
If the weapon is your love  
I got my hands up
