

# Miracle

## Little Big Town

So, just sing it on  
Sing it on  
Sing it on  
So, just sing it on  
Sing it on  
Sing it on Here me in the trouble, so much struggle  
I could use your help and hand, oh oh  
I want some peace, some sweet release  
Pull me up from the sinking sand, oh oh  
Waiting on heaven  
Send out some healing for this heart  
Down by the river  
Waiting for this water to just come  
(Sing it on)  
I need a miracle  
(Sing it on)  
So gonna change my mind  
(Sing it on)  
I need a miracle  
(Sing it on)  
Before I run out of time  
I believe in miracles  
The spiritual things we hold  
I believe in vanity  
Like [?] like when we breathe  
Waiting on heaven  
Send out some healing for this heart  
Down by the river  
Waiting for this water to just come  
(Sing it on)  
I need a miracle  
(Sing it on)  
So gonna change my mind  
(Sing it on)  
I need a miracle  
(Sing it on)  
Before I run out of time  
Hold on, I'm waiting for you  
Hold on, what are you gonna do?  
Hold on, I'm waiting for you  
Hold on, hold on  
Hold on, I'm waiting for you

Hold on, what are you gonna do?  
Hold on, I'm waiting for you  
Hold on, hold onWaiting on heaven  
Send out some healing for this heart  
Down by the river  
Waiting for this water to just come  
(Sing it on)  
I need a miracle  
(Sing it on)  
So gonna change my mind  
(Sing it on)  
I need a miracle  
(Sing it on)  
Before I run out of time
