

# I Know You

Skylar Grey

I believe, I believe there's love in you  
Grid locked on the dusty avenues  
Inside your heart, just afraid to go  
I am more, I am more than innocent  
But just take a chance and let me in  
And I'll show you ways that you don't know  
Don't complicate it  
Don't let the past dictate  
Yeaah

I have been patient, but slowly I'm losing faith  
So please, I know you baby  
I know you baby  
So please, I know you baby  
I know you baby  
I believe, I believe you could love me  
But you're lost on the road to misery  
And what I gave to you  
I could never get back!  
Don't complicate it  
Don't drive yourself insane  
Yeaah

Say what you will but I know that you want to stay!  
So please, I know you baby  
I know you baby  
So please, I know you baby  
I know you baby  
Chemicals rushing in  
I know where I belong to  
I'm fighting like a cannonball in the air  
Crushing into who I belong to  
Uuh uh, uuuuh uuuuh uh

I have been patient, but slowly I'm losing faith  
Please, I know you baby  
I know you baby  
So please, I know you baby  
I know you baby  
Please, I know you baby  
I know you baby  
So please, I know you baby  
I know you baby  
The shadows of your heart  
Are hanging in the sweet, sweet air

I know you baby  
The secrets that you hide, control us and it's just not fair  
I know you baby
