

# Superwoman

Donny Hathaway

When the summer came you were not around  
Now the summer's gone and love cannot be found  
Where were you when I needed you last winter, my love? When the winter came you went  
further south  
Parting from love's nest, leaving me in doubt  
Where are you when I need you, like right now? Our love is at an end  
But you say now you have changed  
But tomorrow will reflect love's past When the winter came you were not around  
Through the bitter winds love could not be found  
Where were you when I needed you, last winter, my love? Oh I need you baby, I need you  
baby Our love is at an end  
But you say now you have changed,  
But tomorrow will reflect love's past oh  
Spring will fill the air and you will come around,  
Well is it summer love that will let me down,  
Where were you when I needed you, last winter, my love?
