

Man On Fire

Andy Gibb

(written by Barry/Maurice/Andy Gibb)

I'm a man on fire
It's a burning thing
It'll burn on forever
If you feed me baby
I'm a man on fire
An eternal flame
It'll burn on forever
If you feed me baby, oh ...
Gotta be a place to go in the midnight hour
Heart of a women and just a little bit of pulling power
The feelings got me
I don't know what it means
I know it must be wrong
But when you love somebody you dream
And I dream
I save the love down deep inside me
for the moment when you come
And you're there, and you're gone
And I'm alive for you
And my love keeps hanging onThere is no life
No reason to go on believing in the stronger love
There is no unifying, if I don't hear you crying
I'm yours, you're mine, no power in the world
Together we are strong in love
And when your storm is over, I'll show how warm my love can be
And me, I'm a man on fire
I'm a man on fire
It's a burning thing
It'll burn on forever
If you feed me baby
I'm a man on fire
An eternal flame
It'll burn on forever
If you feed me baby, oh...Ready when the lightning strikes and he deed is done
I'm not a beginner
But I'm a sinner when the heat is on
Nothing gonna stop me, got me all that you need
Woman when you need somebody
A woman with a face and a body, you dream
And I dreamI save the love down deep inside me
For the moment when you come

And you're there and you're gone
And I'm alive for you
And my love keeps hanging onThere is no life
No reason to go on believing in the stronger love
There is no unifying
If I don't hear you crying
I'm yours, you're mine, no power in the world
Together we are strong enough
And when your storm is over
I'll show how warm my love can be
And me, I'm a man on fire(break)I'm a man on fire
It's a burning thing
It'll burn on forever
If you feed me baby
I'm a man on fire
An eternal flame, oh baby
Don't you know that I'm burning up
(it's a burning thing)
In the flame of your loveDon't you know that I'm burning up
(It's a burning thing)
In the flame of your loveDon't you know that I'm burning up
(it's a burning thing)Don't you know that I'm burning up
(it's a burning thing)(fade out)
