Come to Me

[Otis Redding](#)

Come to me for I'm lonely
Come to me for I'm lonely, darling
Come to me and be my girl
For I love, love you soCome to me forget the past
Think of life we have ahead, my my my my baby
Come to me and be my girl
For I love, love, love you so, oh nowDay are getting so lonely, yeah now
Life are getting so blue
Time has come for you and I
To get together and we'll make two, my my my my babeCome to me for I'm begging
Come to me for I'm begging, darlingCome to me and be my girl
For I love, love, love you so, yeah
Come on now baby
Baby I'm down
Said I'm down my knees, oh
I need me someone, now
Said I need some love
Just to stand right by me, oh
You know that these arms of mine
They have been lonely
Lonely so long
But I know, but I know, I know what my heart needs
I know just what my heart needs
