

Marina

Rhett Miller

Marina (The Dreamer Album 2012)

I see Marina under the stars
I see the fog roll across the bay
I say Marina why you so far away
Why you so far away
Shine a light on me, Marina
Shine a light on me, Marina
I see the white caps start to rise
I see the flag whipping in the spray
I say Marina why you so far away
Why you so far away
I see the worried look in your eyes
And I promise you I'm going to stay
My love won't wash away
Shine a light on me
Shine it right on me
Shine a light on me, Marina, Marina
I see Marina under the stars
I see the night rolling into day
I say Marina you're not so far away
You're so far away
Shine a light on me
Shine it right on me
Shine a light on me, Marina, Marina
Shine a light on me
Shine it right on me
Shine a light on me, Marina, Marina
