

# My Dilemma 2.0

## Selena Gomez & The Scene

You make me so upset sometimes  
I feel like I could lose my mind...  
The conversation goes nowhere  
'Cause you're never gonna take me there...And I know, what I know  
And I know you're no good for me  
And I know it's not meant to beHere's my dilemma  
One half of me wants ya  
And the other half wants to forget  
My-my-my dilemma  
From the moment I met ya  
I just can't get you out of my head  
And I tell myself to run from you  
But I find myself attracted to my dilemma,  
My dilemma, it's you, it's you  
Your eyes have told a thousand lies  
But I believe them when they look in mine...  
I heard the rumors but you won't come clean  
I guess I'm hoping it's because of me...And I know, what I know  
And I know you're no good for me  
And I know it's not meant to beHere's my dilemma  
One half of me wants ya  
And the other half wants to forget  
My-my-my dilemma  
From the moment I met ya  
I just can't get you out of my head  
And I tell myself to run from you  
But I find myself ATTRACTED to my dilemma,  
My dilemma, it's you, it's youOne day I want you and then I don't.  
I'm gonna leave you and then I won't.  
I can't live with or without you.  
I can't live with or without you.Here's my dilemma  
One half of me wants ya  
And the other half wants to forget  
My-my-my dilemma  
From the moment I met ya  
I just can't get you out of my head  
(Can't get you out of my)  
And I tell myself to run from you  
But I find myself ATTRACTED to my dilemma,  
My dilemma, it's you, it's youMy-My-My Dilemma
