Revolution (From John Lennon Tribute)

Stone Temple Pilots

You say you want a revolution Well, you know We all want to change the world You tell me that it's evolution Well, you know We all want to change the world But when you talk about destruction Don't you know that you can count me out Don't you know it's gonna be all right All right All rightYou say you got a real solution Well, you know We'd all love to see the plan You ask me for a contribution Well, you know You know we're doing what we can

But when you want money for people with minds that hate All I can tell is brother you have to wait Don't you know it's gonna be all right All right

All rightYou say you'll change the constitution Well, you know

> We all want to change your head You tell me it's the institution Well, you know

You better free you mind instead But if you go carrying pictures of chairman Mao You ain't going to make it with anyone anyhow

Don't you know it's gonna be all right

All right All right

All right

All right

All right

All right

All right

All right

All right
