

My Way

Tom Walker

I'm just living for the moment
Flying high on paper planes,
But they don't hold up
Make mistakes but I'll be damned, if I don't own them
It's a trip and I don't wanna get sober
Don't wanna get soberLiving fast in a daydream
They can try but I'll be dead before they change me
'Cause my guitar's the only one that ever paid me
It's a trip and I'll be loving every single minute
As long as I can say I did it
My way, my way
My way, my way
Just go and get it
My way
I'll know I did it
My way
I say I did it
My way, my way
My way, my way
I won't regret it
No way
I'll know I did it
My way, my way(I can say I did it)
(I can say I did it)
(I can say I did it)
(As long as I can say I did it, say I did it)
Ain't saying I never get hopeless
And things get crazy
When it all gets out of focus
On the days when we're together
That's a bonus
My darling, we're just living for the moment
Living for the moment
Will you love me 'til you leave here?
Yeah, I never wanna stop you going somewhere
Go ahead and live the way you wanna
I will always love ya
You know that your heart is in it
As long as you can say I did itMy way, my way
My way, my way
Just go and get it
My way

I'll know I did it
My way
I say I did it
My way, my way
My way, my way
I won't regret it
No way
I'll know I did it
My way, my way(I can say I did it)
(I can say I did it)
(I can say I did it)
(As long as I can say I did it, say I did it)We only get one life
So make this life beautiful
One chance to make it worthwhile
Just be alive, the story could be glorious
Beginning to the finish
Long as I can say I did it
My way, my way
My way, my wayJust go and get it
My way
I'll know I did it
My way
I say I did it
My way, my way
My way, my way
I won't regret it
No way
I'll know I did it
My way, my way(I can say I did it)
(I can say I did it)
(I can say I did it)
(As long as I can say I did it, say I did it)My way, my way, my way, my way
My way, my way, my way, my way
My way, my way, my way, my way
(As long as I can say I did it)My way, my way
My way, my way
Just go and get it
I'll know I did it
My way
I say I did it
My way, my way
My way, my way
I won't regret it
No way
I'll know I did it
My way, my way
