

If I Know Me

George Strait

we both said some things
i know we never meant
and when i slam the door tonight
you wonder where i went
if i know you you'll probably wondering what to do
you are thinking that i'm gone for good
if i know you
(chorus)
but if i know me
i'll turn this car around
i won't get half way through town
and i'll be sorry
i'll stop and call
and you'll say you are sorry too
i'll come running back to you
if i know mesometimes i lose my head
say things to break your heart
forgetting if i lost your love, it will tear my world apart
if i know you, you didn't mean one single thing you said
truth be known your dying, crying, lying, there in bed
(chorus)
but if i know me
i'll turn this car around
i won't get half way through town
and i'll be sorry
i'll stop and call
and you'll say you are sorry too
i'll come running back to you
if i know me if i know me and i know me
