

# Outside

## 6LACK

Give me your love, I want your love, give me love  
I want your love, give me your love, love-love  
I want your love, give me your love, show me love Give me your love, I want your love Might  
give you the time of your life  
Just wait 'till we can go outside  
It's been a while we been locked in, do-do-do-do  
Do-do-do-do, do-do-do-do-do-do damn  
I'm excited just to hold your hand  
I'm still stuck on love like it's Krazy Glue  
Me without you, I'd probably fade to blue  
Another love song, look what you made me do I need someone I can play with  
When it's time to go outside and play again  
I need someone I can play with  
When it's time to go outside and play again  
I'll give you the time of your life (Time of your life)  
Just wait 'till we can go outside  
Well, April can't ruin our plans  
Do-do-do-do, do-do-do-do-do-do damn  
D'ussé for the gang, watch me pour up  
Drinkin' on liquor 'till I throw up  
Russian Cream Backwood rolled up  
Can't wait 'till we livin' like we wanna (Wanna, yeah)  
I can't wait 'till we chase the sun and watch it set (Set, yeah)  
I can't wait to make all the times you won't forget ('Get, yeah)  
Memories that we'll pass down and reminisce, yeah  
Later on when we get older, show our kids (Yeah, yeah)  
Show 'em these photos of how we used to live  
And tell 'em the story of how we fell in love  
And teach 'em to pray, I pray that I will make it, yeah, yeah, yeah  
I need someone I can play with  
When it's time to go outside and play again  
I need someone I can play with  
When it's time to go outside and play again Me your love, I want your love, give me love  
I want your love, give me your love, love-love  
I want your love, give me your love, show me love  
I want your love, give me your love
