Nothing's Wrong

Echosmith

We walk like there's nothing wrongShe's sitting alone in the chair She covers her eyes with her hair She smokes one last cigarette And waits for the whole world to turnShe's loving the smell in the air She'd stop but she doesn't really care What's she to do waiting for the whole world to burn Cus kids like us We don't know when to stop We walk, we walk We just keep walking We move, we move We just keep moving on We sing, we sing We sing out this all through our lungs We walk, we walk We walk like nothing's wrong We walk like there's nothing wrong He places a rose in her hair He stops for a moment and stares But good is a wonder Makes him forget about the end Cus when it's all over Who's really gonna care We walk, we walk We just keep walking We move, we move We just keep moving on We sing, we sing We sing out this all through our lungs We walk, we walk We walk like nothing's wrong We walk like there's nothing wrongWe're gonna walk (oh) We're gonna walk (oh)We walk, we walk We just keep walking We move, we move We just keep moving on We sing, we sing We sing out this all through our lungs We walk, we walk We walk like nothing's wrong We walk like there's nothing wrongWe walk like there's nothing wrong
