

# Seduction

## Usher

Ah, sexy, sexy, sexy, sexy, sexy, oooh  
Voluptuous, I love your confidence  
    You got it, you got it  
Seduce me baby, seduce meJust to get my attention  
    Sent a note and a drink  
When we made our connection  
    She just nodded and winked  
    On this note it said  
Its bout time we get together  
Lets dance now, hook up later  
    We can do whatever  
    She had confidence  
    But its all part of the game  
Cuz to her, though I'm whipped,  
    Don't really mean a thing  
    She knew just what I liked  
And now I'm thirsty for more  
    (Chorus)  
    Seduction  
    Sensuous, sexy, erotic,  
    How you working your body  
Oooh oh, you gon' make me do it,  
    Do it to ya  
    Seduction  
    You throwed out your best  
    To get me outta control, baby  
The more I play around wit you  
Baby wanna get down wit you  
Down wit you, down with ya  
    You got my attention,  
    What you gon' do with it?  
Baby turn around, stick it out,  
    I wanna see it  
She make the first move, smooth, intoxicatin'  
    She plays me  
    I'm fightin' not to lose control  
Now I'm feelin' a little tension  
    Don't know whos watchin  
        Getting big  
In too deep, and I can't stop it  
    Your makin it hard for me  
Stay (hard) to walk away (hard)

Don't wanna play no more (hard)  
I cant take it baby(Chorus)  
Seduction (oh you got me baby)  
    Sensuous, sexy, erotic,  
    How you working your body  
Ooooh oh, you gon' make me do it,  
    Do it to ya  
    Seduction  
        You throwed out your best  
        To get me outta control, baby  
        The more I play around wit you  
        Baby wanna get down wit you  
Down wit you, down wit yaBaby whatever you want, girl you got it  
    I'll let ya satisfy  
    Cuz its so hard to resist, oh your body  
        Got me on fire  
        Got vivid thoughts in my mind  
        Of positions that im gonna try  
        But is it worth all the hurt  
        Should I risk it just for one night  
        Once I give in, shes gonna win,  
        Either way I lose  
But I gotta have youIm tryin to chill, but she got me on the spot  
    Shes so cocky, and the way she watchin me  
        Got me feelin hot, uh  
        Shorty know that I got a girl  
        And I really can't break the rules, plus  
            Paparazzi snappin shots,  
            And its hard for me to shake these fools  
        So do I, one, put it on her, work my way to the front  
        Do I, two, play my part, and she will know not to pull no stunts,  
            Or maybe, three, chase the cat, cuz shes sendin' me on the hunt  
Nah, f\*ck that, I aint no punk, imma give shorty what she wants(Chorus)  
    Seduction (oh you got me baby)  
    Sensuous, sexy, erotic, (gotta have you)  
        How you working your body  
(We should leave right now, my cars outside)  
    Ooooh oh, you gon' make me do it,  
        Do it to ya  
        Seduction  
        You throwed out your best  
            (I got the VIP suite baby)  
        To get me outta control, baby  
        The more I play around wit you  
        Baby wanna get down wit you  
    Down wit you, down wit ya(Chorus fade to end)
