

Roni

Bobby Brown

Truth about Roni she's a sweet little girl
You can treat her right real nice and hold her tight
Only tender Ronis can give the special love
A special kind of love that makes you feel good inside
You believe in love and all that it can do for you
Give it a chance girl you'll find romance
And if you find a tender Roni that is right for you
Make it official
Give her your love... (love...)
(my heart) Ooh
(belongs to a Roni)
She's my only love
(she's my only love...)
My only heart baby
(my heart) Yeah
(belongs to a Roni)
She's my only love
(she's my only love...)

The truth about Roni she's always on the phone
Talkin' to her homeboy wishin' they were home alone ooh
She sends you lovely letters with the smell of sweet perfume
This is what a real tender Roni likes to do for you
And if you believe in love and all that it can do for you
Give it a chance girl you'll find romance
And if you find a tender Roni that is right for you
Make it official
Give her your love... ooh yeah
(my heart belongs to a Roni)
She's my only love
(she's my only love...)
My only heart
(my heart belongs to a Roni)
She's my only love
(she's my only love...)

The truth about Roni she's a sweet old girl
About the sweetest little girl in the whole wide world
She'll make the toughest homeboy fall deep in love
Said once you had a Roni you will never give her up
She's a special kind of girl that makes her daddy feel proud
You know the kinda girl that stands out in crowds
Found a tender Roni and the Roni is so right
I think I'm gonna love her for the rest of my life

If you believe in love and all that it can do for you
And if you find a tender Roni that is right for you
Make it official

Give her your love... ooh yeah...

(my heart belongs to a Roni)

She's my only lover

(she's my only love...)

My only heart

(my heart belongs to a Roni)

She's my only love

(she's my only love...)

The truth about Roni she's a sweet old girl
About the sweetest little girl in the whole wide world
She'll make the toughest homeboy fall deep in love
Said once you had a Roni you never give her up
She's a special kind of girl that makes her daddy feel proud
You know the kinda girl that stands out in crowds
Found a tender Roni and the Roni is so right
I think I'm gonna love her for the rest of my life...

(my heart belongs to a Roni)

(she's my only love...)

My only heart

(my heart belongs to a Roni)

She's my only love

(she's my only love...)

The truth about Roni she's a sweet old girl
About the sweetest little girl in the whole wide world
She'll make the toughest homeboy fall deep in love
Said once you had a Roni you will never give her up
She's a special kind of girl that makes her daddy feel proud
(my heart belongs to a Roni)
You know the kinda girl that stands out in crowds
Found a tender Roni and the Roni is so right
(she's my only love...)

I think I'm gonna love her for the rest of my life...

(my heart belongs to a Roni)

(she's my only love...) Ow
