That's When I'll Stop Loving You

*NSYNC

When winter comes in summer When there's no more forever (yeah yeah)

That's when I'll stop loving you (that's when I'll stop loving you)
(That's when I'll stop loving you)I'm sure you've heard these words before
And I know it's hard for you to trust them once more

You're afraid it all might end

And a broken heart is scared of breakin' againBut you've gotta believe me

I'm never leavin'

You'll never cry long as I am there

And I will always be there

You will never be without love

When winter comes in summer

When there's no more forever

When lies become the truth

Oh you know then, baby

That's when I'll stop loving

That's when I'll stop loving you

(That's when I'll stop loving you, yeah)Long as sunlight lights the sky

The light of love will be

Found in these eyes of mine (these eyes of mine)

And I will shine that light for you

You're the only one

I'll ever give this heart toWhat I'm trying to say is (to say)

Nothing will change this

There'll be no time you won't find me there

Cause I will always be there

You will always have all my love

When winter comes in summer

When there's no more forever

When lies become the truth

Well you know then, baby

That's when I'll stop loving

That's when I'll stop loving you

(That's when I'll stop loving you) When this world doesn't turn anymore

When the stars all decide to stop shining

Till then I'm gonna be by your side

I'm gonna be loving you forever

Every day of my life. baby

Oh yeah yeahWell you know then baby

That's when I'll stop loving

That's when I'll stop loving That's when I'll stop loving you

When winter comes in summer

When there's no more forever
When lies become the truth (lies become the truth yeah)
Well you know then, baby
That's when I'll stop loving (that's when I'll stop loving)
That's when I'll stop loving youWhen winter comes in summer
When there's no more forever
When lies become the truth
(Well you know then, baby)
That's when I'll stop loving (that's when I'll stop babe)
That's when I'll stop loving youThat's when I stop baby
I'll stop babe
Lovin' you
