

# Hearts Ain't Gonna Lie

Arlissa

It's not what you said, it's how you said it  
And don't you say you love me when you know you'll regret it  
It's not what we did, it's what we didn't  
We've been losing time and don't know how to admit it When love don't feel right  
We get along, get along on the outside  
Head out the door, but our hearts on the inside  
Love don't feel right  
We get along, get along on the outside  
But hearts ain't gonna, hearts ain't gonna lie  
We're half of the same  
Don't take that the wrong way  
You know what I mean  
Hearts ain't gonna, hearts ain't gonna lie  
Won't do this again  
Don't take that the wrong way  
You know what I mean  
Hearts ain't gonna, hearts ain't gonna lie  
Hearts ain't gonna, hearts ain't gonna lie (oh-oh, oh-oh-oh, oh-oh) You were the one, the one  
that I wanted  
But you know people change, we're not the same as we started  
We're not running away, we're moving forward  
And though we're trying to stay ahead, we're just treading water When love don't feel right  
We get along, get along on the outside  
Head out the door, but our hearts on the inside  
Love don't feel right  
We get along, get along on the outside  
But hearts ain't gonna, hearts ain't gonna lie  
We're half of the same  
Don't take that the wrong way  
You know what I mean  
Hearts ain't gonna, hearts ain't gonna lie  
Won't do this again  
Don't take that the wrong way  
You know what I mean  
Hearts ain't gonna, hearts ain't gonna lie  
Hearts ain't gonna, hearts ain't gonna lie (oh-oh, oh-oh-oh, oh-oh)  
Hearts ain't gonna, hearts ain't gonna lie We're half of the same  
Don't take that the wrong way  
You know what I mean  
Hearts ain't gonna, hearts ain't gonna lie  
Won't do this again  
Don't take that the wrong way

You know what I mean  
Hearts ain't gonna, hearts ain't gonna lie
