

Pollen Path

David Sylvian

Welcome me father
On the North shores of Lapland
 Welcome me father
 Who knows no name
 Welcome me mother
 The earth here is yawning
 My body is shaking
For want of a flame
 Down here
 Got to laugh
 The kickback is ligtening
 Drowning
 Got to laugh
 This whole mess is frightening
I follow the pollen path
 Welcome me father
 The lava is rising
 Welcome me mother
And give me your name
We've drunk from this wellspring
 Too long, too long
 Dividing the hours
To measure the time
We've lived with this heartache
 Too long, too long
 Numbering
 What's yours, what's mine
We've harboured this sadness
 So long
 Nursing a voice
 To sing us our songs
 Raising a voice
 To sing us our songs
