

# Goodnight and Goodbye

## Jonas Brothers

This has been no walk in the park  
I feel like we have fallen apart  
Open up your eyes girl and see  
How wonderful this love could be Hold on tight  
It's a roller coaster ride we're on so  
Say goodbye  
'Cause I won't be back again  
Up and down  
You're all around  
Say goodnight And goodbye  
Lalala la la lalalala  
You say you didn't mean to break  
My heart but girl you did  
But I'm over it  
Adeiu to you and all your games All your crazy friends  
This is the end  
Hold on tight  
It's a roller coaster ride we're on so  
Say goodbye  
'Cause I won't be back again  
Up and down You're all around Say goodnight  
And goodbye  
Lalala la la lalalala  
Well girl, I'm sorry for  
Disappointing you  
But I'm done  
With being up and down and pushed around  
NO MORE.  
Hold on tight  
It's a roller coaster ride we're on so  
Say goodbye 'Cause I won't be back again  
Up and down  
You're all around  
Say goodnight  
And goodbye  
Hold on tight  
It's a roller coaster ride we're on  
Say goodbye  
'Cause I won't be back again  
Up and down  
You're all around  
Say goodnight

And goodbye!
