Burn Like a Star

Rend Collective

We were born for greater things We were born to chase your dreams Come my Lord, awaken holy fire We are turning from our sin We are praying once again Come my Lord, awaken holy fire We are aching for the real thing Hearts are open wideBurn like a star, light a fire in our hearts Burn like a star, light a fire in our hearts Burn like a star, light a fire in our hearts Burn like a star, light a fire in our hearts Send revival; start in us Set your holy spark in us Send us out in resurrection power History's about to change We are rising once again Send us out in resurrection power We are aching for the real thing Hearts are open wideBurn like a star, light a fire in our hearts Burn like a star, light a fire in our hearts Burn like a star, light a fire in our hearts Burn like a star, light a fire in our hearts For your glory, for your fame in this darkness, light a flame in us Burn like a star, light a fire in our hearts Burn like a star, light a fire in our hearts Burn like a star, light a fire in our hearts Burn like a star, light a fire in our hearts Burn like a star, light a fire in our hearts Burn like a star, light a fire in our hearts Burn like a star, light a fire in our hearts Burn like a star, light a fire Burn like a star, light a fire in our hearts Burn like a star, light a fire in our hearts Burn like a star, light a fire in our hearts Burn like a star, light a fire in our hearts For your glory, for your fame in this darkness, light a flame in us
