

# Escape

Enrique Iglesias

You can run you can hide  
But you can't escape my love  
You can run you can hide  
But you can't escape my love Here's how it goes, you and me  
Up and down but maybe this time  
We'll get it right, worth the fight  
'Cause love is something you can't shake  
When it breaks all it takes is some tryin' If you feel like leaving  
I'm not gonna beg you to stay  
But soon you'll be finding  
You can run, you can hide  
But you can't escape my love  
You can run, you can hide  
But you can't escape my love  
So if you go you should know  
It's hard to just forget the past  
So fast, it was good  
It was bad but it was real and that's  
All you have in the end - our love mattered If you feel like leaving  
I'm not gonna beg you to stay  
But soon you'll be finding  
You can run, you can hide  
But you can't escape my love  
You can run, you can hide  
But you can't escape my love  
You can run, you can hide  
But you can't escape my love  
You can run, you can hide  
But you can't escape my love  
Here's how it goes  
All it takes is some tryin' If you feel like leaving  
I'm not gonna beg you to stay  
But soon you'll be finding  
You can run, you can hide  
But you can't escape my love If you feel like leaving  
I'm not gonna beg you to stay  
But soon you'll be finding  
You can run, you can hide  
But you can't escape my love You can run  
You can run  
You can run  
You can run Baby, you can run, baby you can hide

But you can't escape my love  
Baby you can run, baby you can hide  
But you can't escape my love  
You can run, you can run  
But you can't escape my love  
You can run you can hide  
But you can't escape my love
