

# Celebrate (feat. Pharrell Williams)

MIKA

I want the whole world to celebrate (Lets' go!) I wanna come home  
To the only place I know  
Where the trees I planted grow  
I wanna come home Once I get up I feel better and I pull myself together  
I remember those two letters, it will be OK  
Everyone says now or never, I say only if it's better  
Be a night like this forever, but we know better I want the whole world to celebrate  
I want the whole world to celebrate  
I want the whole world to celebrate  
I want the whole world to celebrate  
I'll be just fine  
When I see you at the finish line  
Doesn't matter if I take my time  
I'm coming home Once I get up I feel better and I pull myself together  
I remember those two letters, it will be OK  
Everyone says now or never, I say only if it's better  
Be a night like this forever, but we know better I want the whole world to celebrate  
I want the whole world to celebrate  
I want the whole world to celebrate  
I want the whole world to celebrate I'm not mad at you at all  
But, I want the whole world to celebrate, yeah, mmh Right about now it's time for everybody to  
stand up, stand up, stand up  
And have fun, fun, fun, 'cause we just begun I want the whole world to celebrate (Lets' go!)  
Once I get up I feel better and I pull myself together  
I remember those two letters, it will be OK  
Everyone says now or never, I say only if it's better  
Be a night like this forever I wanna go home (I want the whole world to celebrate)  
I wanna go home (I want the whole world to celebrate)  
I wanna go home (I want the whole world to celebrate)  
I wanna go home (I want the whole world to celebrate) To celebrate  
I'll get the whole world to celebrate  
I want the whole world to celebrate  
I want the whole world to celebrate
