**Kid Cudi**

This one's for Amile  
We, we, we aite, aite, aite  
We, we aite, aite, aite  
We, we, we aite  
Come and make your mind up, aite  
To wake your mind up, aite  
It's time to make your mind up, aite  
To wake your mind up, aite  
Aite, aite we, we aite, aite  
We, we, we aite, aite  
We, we, we aite, aite  
We, we aite, aite  
Wake your mind up  
To wake your mind up, we aite  
We, we, we aite
