

Mars

Timmy Trumpet

It's a fucked up world we're living in
So I'm on my way to Mars
I am sick and tired of giving in
Fuck your hatred and your wars
I'm on my way to Mars
I'm on my way to Mars
It's a fucked up world we're living in
So farewell, I'm on my way to Mars I'm on my way to Mars
I'm on my way to Mars It's a fucked up world we're living in
So I'm on my way to Mars
I am sick and tired of giving in
Fuck your hatred and your wars
I'm on my way to Mars
I'm on my way to Mars
It's a fucked up world we're living in
So farewell, I'm on my way to Mars I'm on my way to Mars I'm on my way to Mars
It's a fucked up world we're living in
So I'm on my way to Mars
I am sick and tired of giving in
Fuck your hatred and your wars
I'm on my way to Mars
I'm on my way to Mars
It's a fucked up world we're living in
So farewell, I'm on my way to Mars
