Cowboys from Hell

Pantera

Ohh, Come On!Under the lights where we stand tall
Nobody touches us at all
Showdown, shootout, spread fear within, without
We're gonna take what's ours to have
Spread the word throughout the land
They say the bad guys wear black
We're tagged and can't turn backYou see us comin'
And you all together run for cover
We're taking over this townHere we come reach for your gun
And you better listen well my friend, you see
It's been slowed down below,
Aimed at you we're the Cowboys From Hell
Deed is done again, we've won
Ain't talking no tall tales friend
'Cause high noon, your doom
Comin' for you we're the Cowboys From HellPillage the village, trash the scene
But better not take it out on me
'Cause a ghost town is found
Where your city used to be
So out of the darkness and into the light
Sparks fly everywhere in sight
From my double barrel, 12 gauge,
Can't lock me in your cage
You see us comin'
And you all together run for coverWe're taking over this townHere we come reach for your gun
And you better listen well my friend, you see
It's been slowed down below,
Aimed at you we're the Cowboys From Hell
Deed is done again, we've won
Ain't talking no tall tales friend
'Cause high noon, your doom
Comin' for you we're the Cowboys From HellHere we come reach for your gun
And you better listen well my friend, you see
It's been slowed down below,
Aimed at you we're the Cowboys From Hell
Deed is done again, we've won
Ain't talking no tall tales friend
'Cause high noon, your doom
Comin' for you we're the cowboys from hell
Step aside, We're the Cowboys From Hell
