Cowboys from Hell

Pantera

Ohh, Come On!Under the lights where we stand tall

Nobody touches us at all

Showdown, shootout, spread fear within, without

We're gonna take what's ours to have

Spread the word throughout the land

They say the bad guys wear black

We're tagged and can't turn backYou see us comin'

And you all together run for cover

We're taking over this townHere we come reach for your gun

And you better listen well my friend, you see

It's been slowed down below,

Aimed at you we're the Cowboys From Hell

Deed is done again, we've won

Ain't talking no tall tales friend

'Cause high noon, your doom

Comin' for you we're the Cowboys From HellPillage the village, trash the scene

But better not take it out on me

'Cause a ghost town is found

Where your city used to be

So out of the darkness and into the light

Sparks fly everywhere in sight

From my double barrel, 12 gauge,

Can't lock me in your cage

You see us comin'

And you all together run for coverWe're taking over this townHere we come reach for your gun

And you better listen well my friend, you see

It's been slowed down below,

Aimed at you we're the Cowboys From Hell

Deed is done again, we've won

Ain't talking no tall tales friend

'Cause high noon, your doom

Comin' for you we're the Cowboys From HellHere we come reach for your gun

And you better listen well my friend, you see

It's been slowed down below,

Aimed at you we're the Cowboys From Hell

Deed is done again, we've won

Ain't talking no tall tales friend

'Cause high noon, your doom

Comin' for you we're the cowboys from hell

Step aside, We're the Cowboys From Hell
