

Brand New

Trey Songz

Oh, oh, oh, song, oh
Songz is my name, yup Shawty brand new, fresh out the box
I think she came here with her girlfriend
Shawty brand new, fresh out the box
Tonight I'm gon' be yo' husband Soon as girl step up in the club
All the fellas try and hide to say what's up
But, me I play it cool, just like chess I know the rules
And, I bet I checkmate her in like 4 moves I'ma say, girl what'cha drinkin' on, Trone
And she drink it straight 'cause she like it strong
Girl, I wanna leave with you so we can get it on
Is this is the last call? And this is the last song
She said boy
I'm brand new, fresh out the box
Yeah, I came here with my girlfriend
She says, she says, she's brand new, fresh out the box
Tonight I'm gon' be her husband So let's just take our clothes off, let's just take our clothes off
She sippin' on that liquor, I'm tyrna get her to the house
Girl, let's just take our clothes off, let's just take our clothes off
She said she brand new, I'm tryna see what that's about She said she ain't even looking for a dude
But, if you with a winner then you know you can't lose
All red on the bottom of ya' shoes
So, I already know you gotta have loot Ain't got a lot of time so I won't spend it talkin' like these
lame niggas
Paper that they ain't spending, can you dig it?
Girl I wanna leave with you so we can get it on
Is this is the last call? And this is the last song
She said boy I'm
I'm brand new, fresh out the box
Yeah, I came here with my girlfriend
She says, she says, she's brand new, fresh out the box
Tonight I'm gon' be her husband So let's just take our clothes off, let's just take our clothes off
She sippin' on that liquor, I'm tyrna get her to the house

But, you ain't never had one night with me
Come ride with me, girl you gon' see

Eyes on you, what you gon' do?
So brand new, you know what I wanna do
Open you up So let's just take our clothes off, let's just take our clothes off
