

# What Happens In a Small Town

## Brantley Gilbert & Lindsay Ell

[Brantley Gilbert]

I can't go for a ride to clear my head  
'Cause everything I pass puts you back in it  
Yeah we're done, movin' on  
But you can't be too far gone[Chorus: Both]  
'Cause what happens in a small town stays in a small town  
Every back road, we've ever gone down  
Friday night bleachers, Sunday pews  
Ain't a county line mile without a memory of you  
Every whisper, every room, I walk in  
Every time the bartender fills it up again  
Everybody knows why I'm here, and you ain't around  
'Cause what happens in a small town, stays in a small town

[Lindsay Ell]

Oh we said this goodbye was the last  
I guess I could leave, I could run from the past  
And from us, and from you[Both]  
But this is where I belong, this is my home too  
What happens in a small town stays in a small town

Every back road, we've ever gone down  
Friday night bleachers, Sunday pews  
Ain't a county line mile without a memory of you  
Every whisper, every room, I walk in  
Every time the bartender fills it up again  
Everybody knows why I'm here, and you ain't around  
'Cause what happens in a small town, stays in a small town[Brantley Gilbert]

Yeah I'm still here, yeah

And every time I see that little white Jeep

[Lindsay Ell]

Yeah that hand-me-down Ford pullin' down your street[Both]

You wonder if somebody's in my seat

If you're movin' on or you're stuck like me[Brantley Gilbert]

What happens in a small town[Lindsay Ell]

Stays in a small town[Brantley Gilbert]

(Oh yeah)[Both]

What happens in a small town stays in a small town

Every back road, we've ever gone down

Friday night bleachers, Sunday pews

Ain't a county line mile without a memory of you

Every whisper, every room, I walk in

Every time the bartender fills it up again

Everybody knows why I'm here, and you ain't around

(You ain't around)  
'Cause what happens in a small town, stays in a small townIt stays in a small town  
It stays in a small town  
And I'm still here  
(what happens in a small town)  
I'm still here  
(Stays in a small town)  
I'm still here  
Yeah I'm still here  
I'm still here
